Design and Engineering Works of 9 Over/Underpass Railway-Motorway Intersections at 3rd Regional Directorate

KM 92+790 Turgutlu

KM 261+300 Denizli

Client:

Turkish State Railways (TCDD)
3rd Regional Directorate, Izmir

Tender No:

2016 / 314839

Brief Description:

Railway bridges for safe vehicle over-pass, including intersection solutions in urban provinces

Contract Value:

262.531 USD

Date of Contract:

19 Sep 2016

Date of Completion:

24 Apr 2018

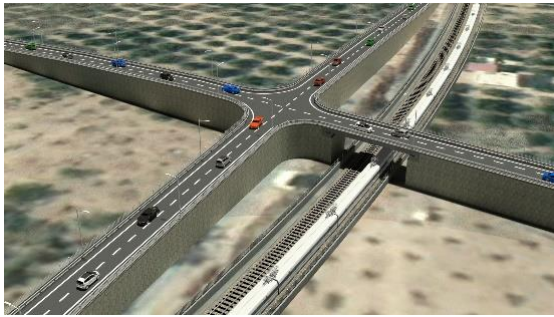

Design of 4 urban overpass intersection bridges (Highway – Railway) at Fevzipasa – Diyarbakir Railway Route

KM=248+471

KM=270+700

KM=275+750

KM=380+550

Client:

Turkish State Railways (TCDD)
5th Regional Directorate, Malatya

Tender No:

2017 / 513197

Brief Description:

Land Surveys, Soil Investigation and Geological Studies,
Intersection and Detailed Bridge Designs, Cost Estimations
and preparation of Bidding Documents

Contract Value:

205.016 USD

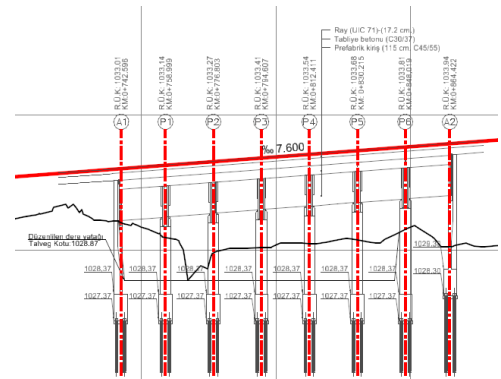

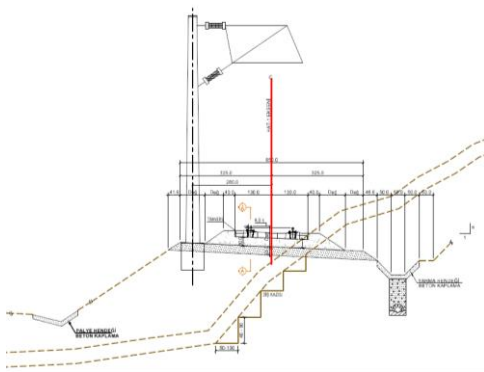

Date of Contract:

06 Dec 2017

Date of Completion:

12 Mar 2019

Consultancy Design and Engineering Service for Bogazkopru – Kayseri Free Zone Railway Link Connection

Client:

Turkish State Railways (TCDD)
2nd Regional Directorate, Ankara

Tender No:

2017 / 438435

Brief Description:

6.5 km Subsidiary Railway Line with a point connected to the existing main line. 5000 m² concrete covered Loading Platform and a Railway Bridge is included within the project

Contract Value:

182.543 USD

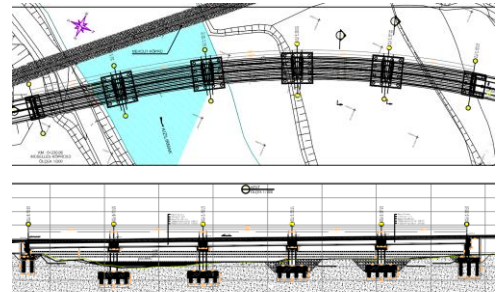

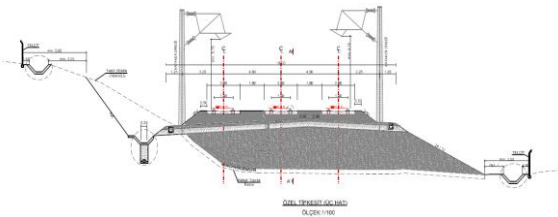

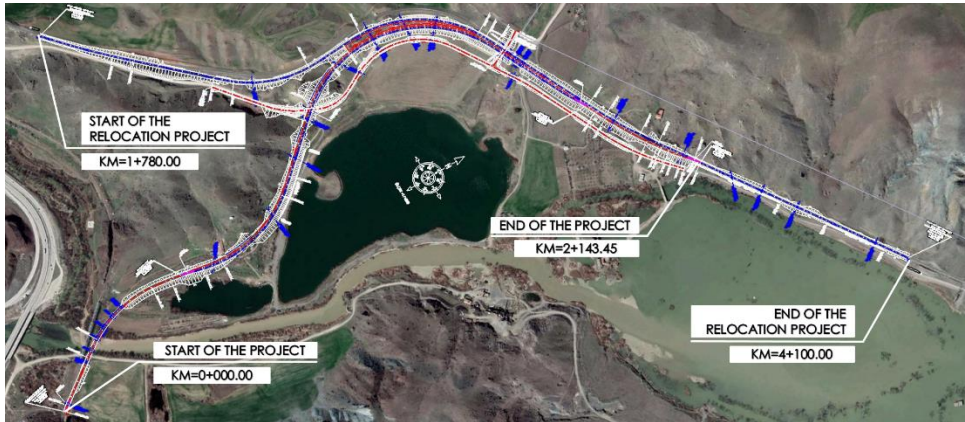

Date of Contract:

06 Nov 2017

Date of Completion:

ONGOING

Detailed Design and Engineering Works of Irmak – Muselles Railway Line

Client:

Turkish State Railways (TCDD)
2nd Regional Directorate, Ankara

Tender No:

2018 / 178037

Brief Description:

8,5 km Subsidiary Railway Line is designed, including 2 Railway bridges and 2 culverts

Contract Value:

233.264 USD

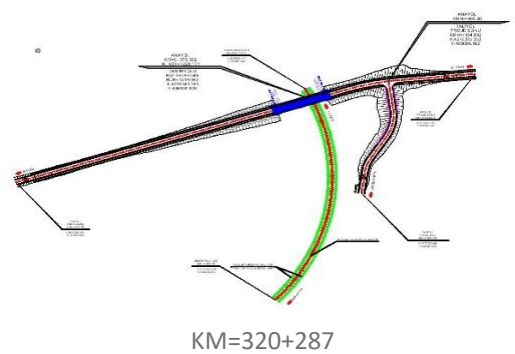

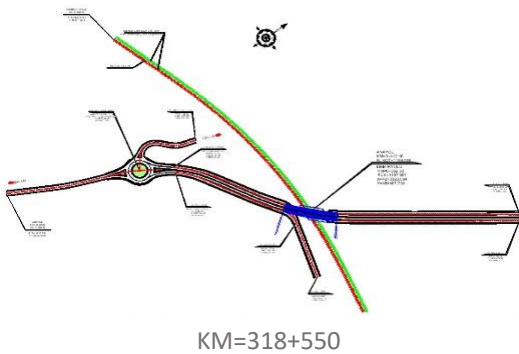

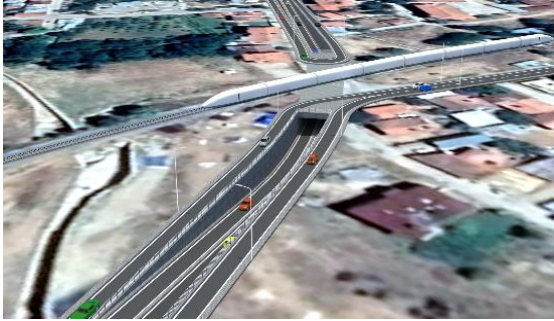

Date of Contract:

05 Jun 2018

Date of Completion:

ONGOING

Engineering and Detail Design of 4 Under/Over (Motorway – Railway) Passes at Malatya – Diyarbakir Railway Line

Client:

Turkish State Railways (TCDD)
5th Regional Directorate, Malatya

Tender No:

2019 / 251856

Brief Description:

At two under-Railway bridges, additional engineering solutions and construction techniques were used, since the Railway line was active

Contract Value:

196.017 USD

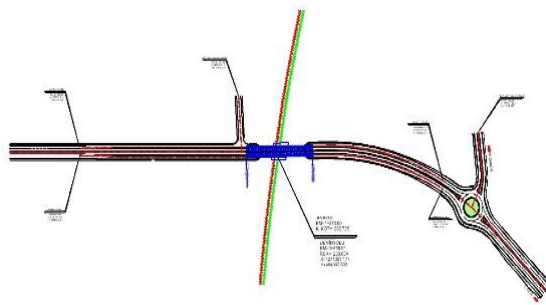

Date of Contract:

17 Jul 2019

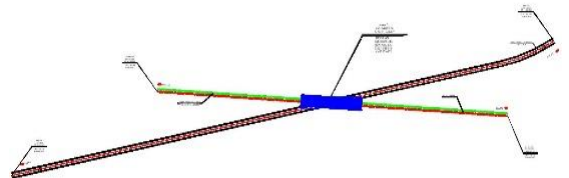

Date of Completion:

ONGOING

Engineering and Detail Design of 4 Under/Over (Motorway – Railway) Passes at Malatya – Diyarbakir Railway Line

KM=321+600

KM=327+390

Client:

5th Regional Directorate, Malatya

Tender No:

2019 / 251856

Brief Description:

At two under-Railway bridges, additional engineering solutions and construction techniques were used, since the Railway line was active

Contract Value:

196.017 USD

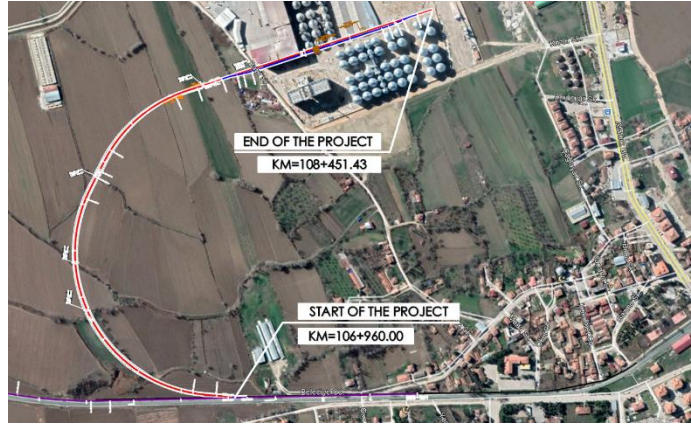

Date of Contract:

17 Jul 2019

Date of Completion:

ONGOING

Design and Consultancy of Havza – Suluova Subsidiary Railway Line (2 parts)

Client:

Turkish State Railways (TCDD)
4th Regional Directorate, Sivas

Tender No:

2017 / 525662

Brief Description:

2 separate railway routes with a total Length of 4 km is studied

Contract Value:

244.400 USD

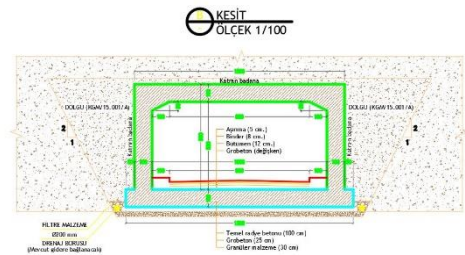

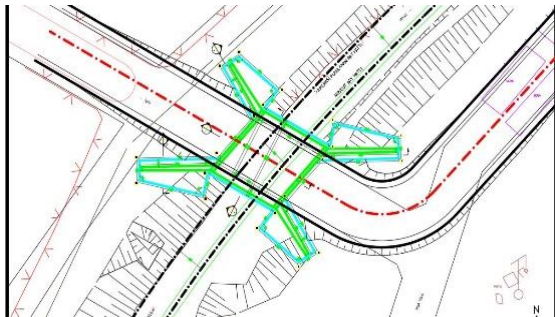

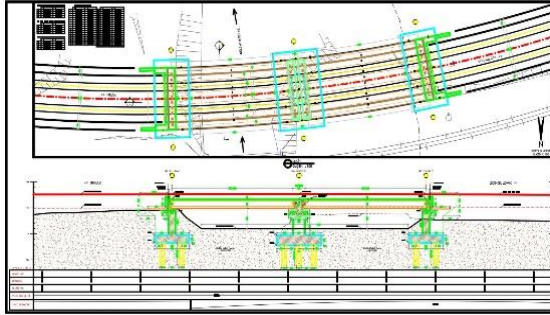

Date of Contract:

08 Dec 2017

Date of Completion:

ONGOING

Consultancy, Detailed Design and Engineering Works for Two Railway Bridges on Irmak – Zonguldak Railway Line

Client:

Turkish State Railways (TCDD)
2nd Regional Directorate, Ankara

Tender No:

2015 / 84905

Brief Description:

Additional Engineering solutions and construction techniques were used for active Railway line

Contract Value:

134.700 USD

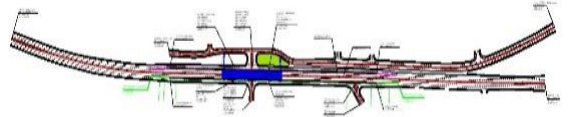

Date of Contract:

01 Sep 2015

Date of Completion:

18 Oct 2016

Consultancy Services for Detailed Engineering Design of Urban Zone interchange and Bridges on Eleskirt – Agri – Taslicay State Road

Client:

General Directorate of Highways
12th Regional Directorate, Erzurum

Tender No:

2017 / 500596

Brief Description:

Interchange is located at Agri City Bus Terminal. The main transit traffic is directed to under-pass and a rotary intersection for turns.

Contract Value:

115.000 USD

Date of Contract:

31 Oct 2017

Date of Completion:

07 Dec 2018

Consultancy Service for Detailed Engineering Design of Kastamonu West Ring Road Interchange

Client:

General Directorate of Highways
15th Regional Directorate, Kastamonu

Tender No:

2016 / 385593

Brief Description:

The interchange includes Detailed Design of 4 bridges and 2,100 m approach roads, with land surveys, Soil investigations and Drainage works

Contract Value:

156.857 USD

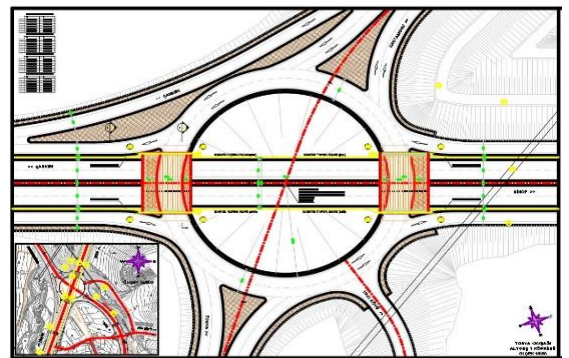

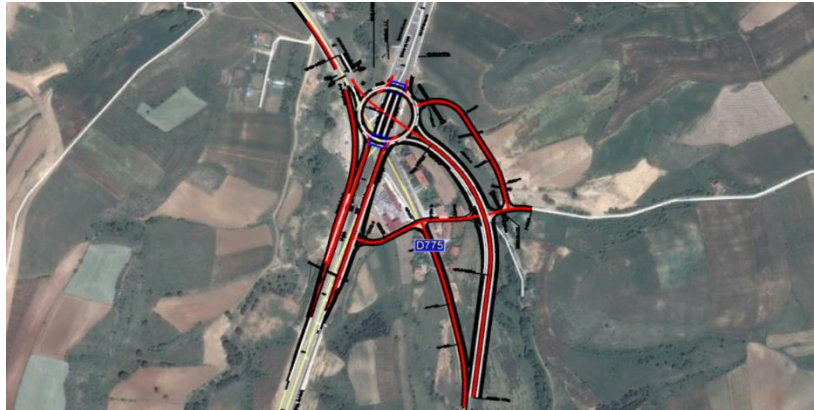

Date of Contract:

08 Nov 2016

Date of Completion:

16 Mar 2017

Consultancy Services for Detailed Engineering Design of Tosya Interchange at Kastamonu East Ring Road

Client:

General Directorate of Highways
15th Regional Directorate, Kastamonu

Tender No:
